APPENDIX: COMPOUND ACTIONS

Delete Product

Deleting a product will:

- automatically remove Product Linkage for all Creations that link to the Product.
- automatically unpublish Creations that link to the Product.
- automatically delete all Notifications associated with Creations associated with the Product.

Delete Creation

Deleting a Creation will:

- automatically delete all Instances of this Creation.
- automatically delete all Notifications associated with this Creation.

Unpublish Creation

Unpublishing a Creation will:

- not affect existing Instances, but they will not be visible to the public.
- automatically delete all Notifications associated with this Creation.

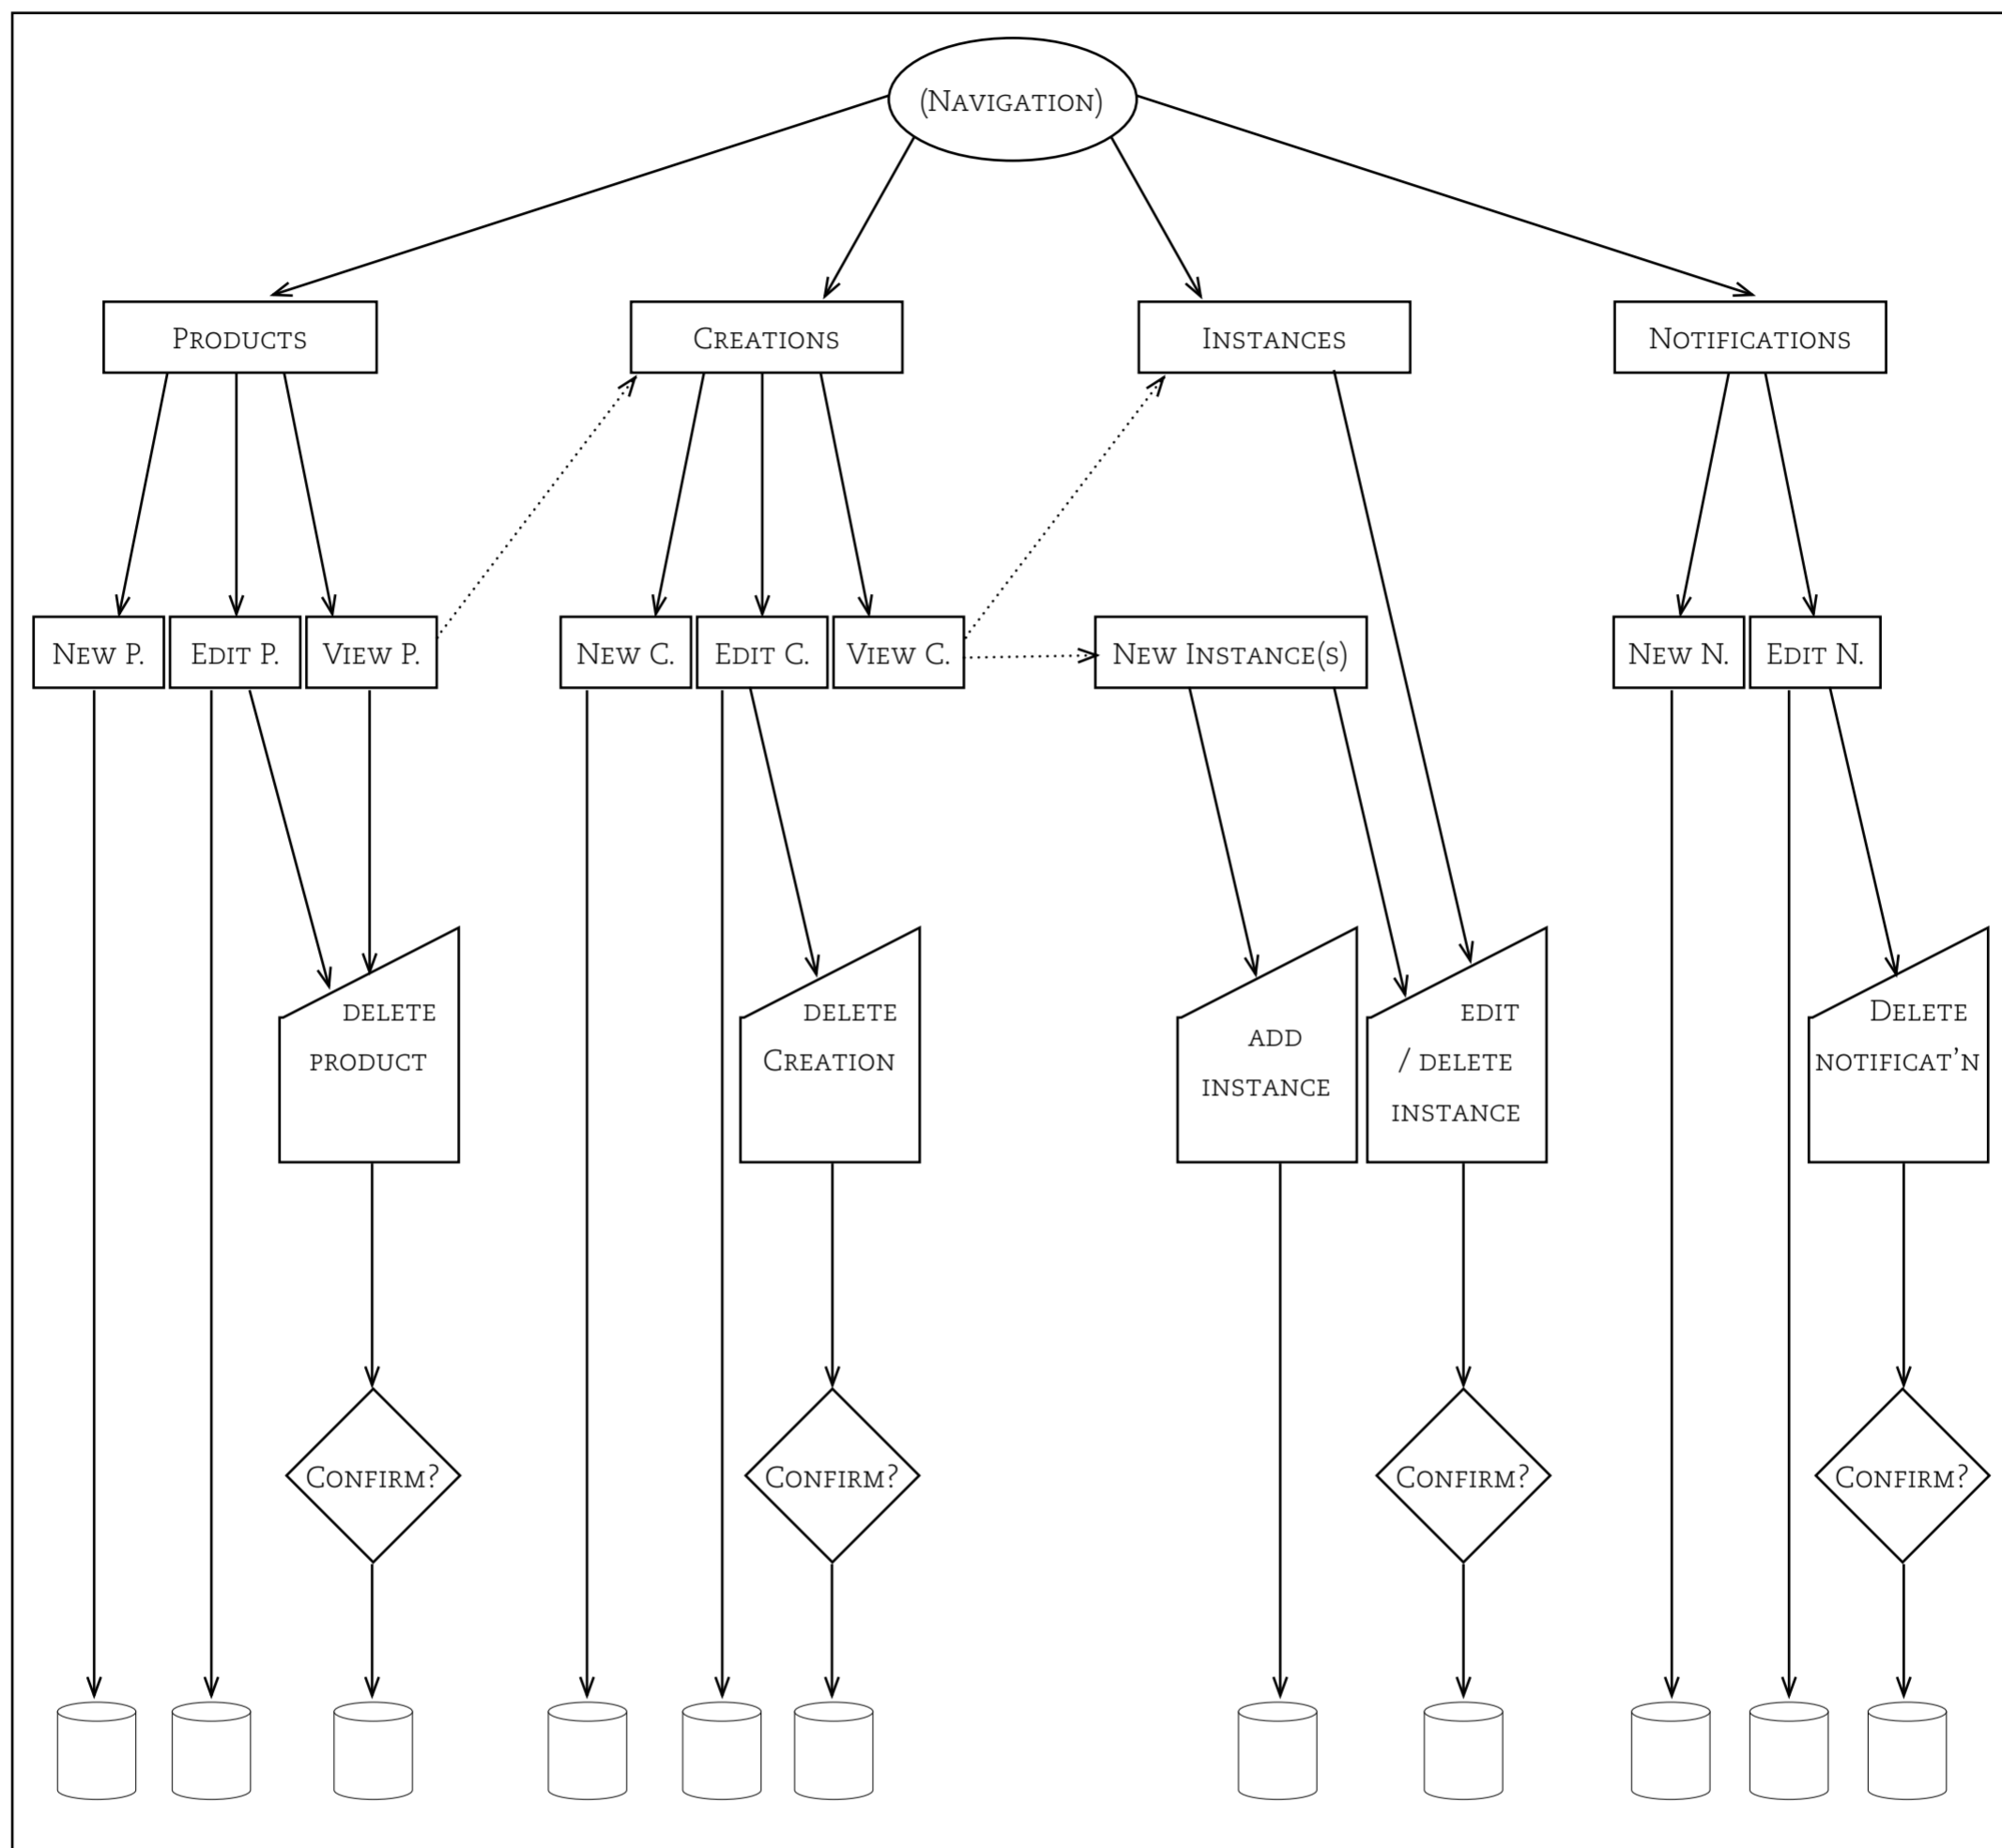

Confirmation Dialogs will be the generic format:

Are you sure?

[Yes] [Cancel]
